1. Clean surface thoroughly with alcohol. Allow to dry completely.
2. Rub decal with credit card or similar item to make sure the decal is completely stuck to the clear transfer tape before removing the backing.
3. Peel off paper backing.
4. Place decal on the surface of the item.
*Do not lay the decal on the item until you have it in the position you want to place it in.
5. Use credit card or similar item to smooth decal and remove bubbles.
6. Peel off clear transfer tape starting at one of the corners. Peel at an angle.
7. For best results, allow decal to cure for 2-3 days before washing.
